Sub:-F.I.R

Respected Sir

I am Abdul Ahad Choudhury, S/o-Lt Haji Tahidur Rahman Choudhury residence of Vill& po-Sutarkandi, Dist-Karimganj, Assam.

I am a Businessman by profession of exporter and importer. I have foreign trade license for export. I had already export coal in the year 2015 and then i will never export coal. Today I am watching a news at the platform of Facebook and the news is covered by Dy365 news channel and after watching this news I will bound to filed a F.I.R. Last in the year of 2020 the MD of the Dy365 news channel Mr. Sanjeev Jawaswal with him Dio Linda Dhakar and Gautam Jha 365, Santosh Kumar Choudhary ASI of Assam Police and the accused persons of the Katighora PS case number 758/2021 and 898/2020 all the accused persons had stole and sale my coal, for this reason I had submit a F.I.R against them. All the brokers who work under DY365 has stole minimum 500 crore Revenue of Assam Govt. but till now any one from the DY365 will not arrested.

Due to our present govt. zero tollerance policy, Mr. Sanjeev Jawawal did not get the syndicate this time and thatsway he will always try to defame me and our govt. In the previous govt. Period he had run the syndicate of Bettel nut (Burmise), Fertilizer and many more smuggling goods from India and out of India and also drugs, I have lodged a complaint against this at Katighora PS case no 17/2022, crime branch Guwahati case no -01/2022, Karimganj Ps case no: 535/2021 and Badarpur ps case no 312/2020 and Kherihat ps case no -43/2020, Drugs cases are registered against all his broker's. Against which I have complained to PMO, HMO and national security. He is defaming me for avoiding these complaints. There are minimum 200 complain lodge against Mr Sanjeev Jawaswal brokers related to drugs. He is slandering me for avoiding this and I have no involvements with coal even there are no gst waybill in my name. If you enquiry the matter you can find all the truth.

That Sir

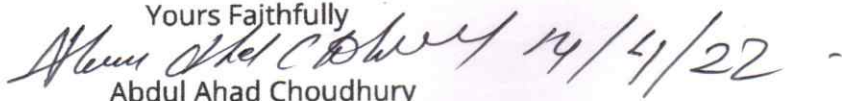

I had already submit complaints against this type of syndicate like Karimganj Ps case no: 90/2018 and Katighora PS case no: -47/2019. If you enquiry the matter you can find all the truth with evedence and I am bound to submit this F.I.R because he want to defame me and I humbly request to you kindly take action as per the law. I am also send you the news link with this F.I.R on whatsapp.
